

Capability statement

We're licensed Melbourne based electricians looking after businesses and homes.

WHAT WE DO

- **Electrical maintenance and repairs** for shops, offices, warehouses and homes
- **Upgrades** including switchboards and lighting
- **Lighting installation**, inside and out
- **CCTV security cameras**, including large-scale commercial camera upgrades across Victoria
- **Access control**
- **Data cabling**
- **Renovations and new builds**

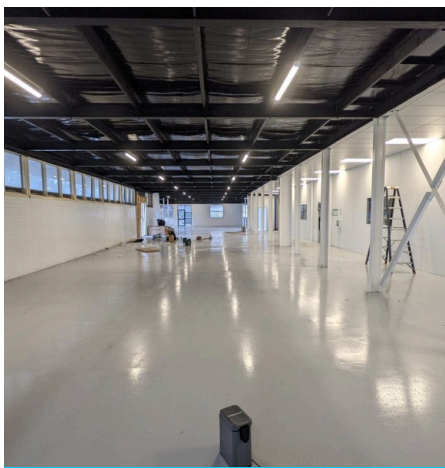

WHO WE WORK WITH

Business owners, facility and property managers, builders and homeowners across all of Melbourne. One licensed team for the electrical, security and data side of a site, with 24/7 call-outs when something stops working.
